

# **2016 - 2017 BOARD GOALS**

## **Ensuring relevancy and effectiveness in all areas**

Pioneer will provide career opportunities and certifications for our students through curriculum and skill development that identify and meet the needs of business, industry and higher education.

## **Create a positive image for Pioneer Career & Technology Center**

Pioneer will actively cultivate respectful, supportive relationships among students, parents, teachers, alumni and all stakeholders through building upon common purposes, ideals, and goals. Providing regular opportunities for service that enhance student success and promote a positive school image as we recognize and utilize the accomplishments of Pioneer students, staff, alumni and associates.

## **Preparing for success in a global market**

Pioneer will promote curricula that integrates critical thinking, communication, collaboration and creative innovation to prepare students for success in a global society.

## **Increase engagement with all communities**

Pioneer will foster a spirit of cooperation and promote engagement with all communities and businesses through open communication and active visible involvement.

## **Require high standards**

Pioneer will establish, support and maintain high standards in all areas of instruction and operations to advance student opportunities and achievement.

## **Integrate cutting-edge technology**

Pioneer is committed to the effective use of technology to provide cutting edge, relevant technology tools and training that contribute to the efficiency of operations while preparing students and staff for the 21st century workplace.

## **Ensuring fiscal stability**

Plan, manage, monitor and report spending to provide decision makers and the community with a reliable, accurate and complete view of the financial performance of the district while allocating resources to support the academic success of all students at all levels.

## **Providing unparalleled customer service**

Provide excellent customer service that leaves every customer with a lasting positive impression of Pioneer Career and Technology Center.
