STUDENT ACHIEVEMENT REPORT

SUBMITTED BY DENA L. KIRBY, SUPERVISOR

STUDENT ACHIEVEMENT HIGHLIGHTS

- **PIONEER STUDENTS OF THE MONTH.** Pioneer Career and Technology Center has chosen students Casey Blevins and Frank Tesso as Students of the Month. Both students were selected by their English language arts teacher, Mary Schweyer. Blevins, a senior from Ontario High School, is enrolled in the Performing Arts Program. He is the son of Michael and Elizabeth Blevins. Tesso is a junior from Crestline High School, and is enrolled in the Home Remodeling Program. Tesso is the son of Mark and Holly Tesso.
- **ADULT EDUCATION STUDENT OF THE MONTH.** The Student of the Month for Adult Education is Shirley Reeder of Galion. She is enrolled in the Administrative Office Program. Reeder was cited by her instructor, Kathy Eaken, for her enthusiasm, attendance, and attention to detail in her work.
- **BPA REGIONAL COMPETITION NETS 20 FIRSTS.** Students who participated in the regional BPA Contest last month at Ashland University netted a total of 23 first place finishes among the 78 placements that Pioneer achieved. Eight students were double winners and one student, Senior Kayla Traxler from Crestview, was a triple first place winner. Students who placed first included the following: Administrative Support Team: Senior Amber Burkhardt, Shelby; Senior Adam Fakult, Colonel Crawford; Senior Haley Hyder, Ontario; Senior Kayla Traxler, Crestview. Advanced Accounting and Payroll Accounting: Senior Katelyn Edwards, Bucyrus. Advanced Spreadsheet Applications and Entrepreneurship: Senior Luke Foley, Shelby. Computer Modeling: Senior Austin Saunders, Northmor. Computerized Accounting: Junior Jessica Lohr, Colonel Crawford. Database Applications: Senior Joe Loney, Willard. Network Administration Using Microsoft: Senior Alex Page, Crestline. Video Production Team: Burkhardt, Fakult, Hyder and Traxler. Visual Basic Programming: Junior Blake Whitt, Galion. Students winning in this contest are studying in the following programs at Pioneer: IT Support, Business Management and Entrepreneurship and Web Page Design. Teachers in these programs include Donnie Perry, Rita Wiening, and Marianne Ritchie.
- **PROJECT LEAD THE WAY STUDENTS PERFORM WELL ON EXAM.** Students in Project Lead the Way recently took a National College Exam. These students are taught by Jeff Merickel at Shelby High School as part of Pioneer's Satellite Programs. Eighty-one percent of the students passed the college exam with 56 percent also having achieved the additional grade and test qualifications to be eligible for college credit in 3D Modeling. The students who have achieved both include the following Shelby students: Casey Cox, Tristan Hummel, Jeremy Mabe, Shane Myers, Ryan Workman, Melaina Nelson, Ben Murray, Hunter Friebel, and Gabriel Gesing. They can now make application for three hours of college credit for this work in Introduction to Engineering Design.
