Dear Ann and her Amazing Performing Arts Students,

Your performances at the November meeting of the Friendly House Golden Age Club were heartfelt and wonderful. The Golden Agers really enjoyed the students, and they were touched by the talent and enthusiasm of their gifts and positive energy. Many of the attendees made comments on the great program that your kids presented.

The Golden Age club is a way for seniors to stay busy and engaged with people their age, while enjoying a meal and entertainment. Many of the seniors look forward to their monthly get together with enthusiasm, as it may be the best social contact they have all month. In addition, we strive to cook them a hot, nutritious meal at no or low cost, and your program added a special touch to the meeting.

From the Friendly House Board of Managers, the Staff, and most of all from the Friendly House Golden Age club, we appreciate your support very much.

Sincerely,

Terry Conard
Executive Director

*Thank you! Another Great
