## STUDENT ACHIEVEMENT HIGHLIGHTS

### Home Remodeling Students Busy Sprucing Up Local Communities

The Home Remodeling students in Mr. Rick Stephens classes recently built Little Red Bookshelves and placed them at the Shelby hospital waiting area. The students fill the bookshelves with books that are collected at Pioneer. The class has built approximately 10 bookshelves and placed them in the community in prominent locations. In addition to this project, the students have also constructed a large bird enclosure at the Ohio Bird Sanctuary in Ontario. Pictures of each of the projects are provided below.
