

Pioneer Career & Technology Center

Board Goals

2019-2020

- 1. We will incorporate innovative educational practices in both academic and career technical settings that will create success, value and competitive advantage for all students.**
- 2. We will promote student excellence through the building of skills for lifelong success and promoting programs and policies that facilitate student achievement.**
- 3. We will foster an environment that promotes commitment, engagement and inclusivity from all stakeholders.**
- 4. We be fiscally responsible to the community, students, staff and all stakeholders while supporting effective, innovative educational programs and providing facilities that are safe, healthy and functional.**
- 5. We will work to ensure curriculum, instruction, assessment and professional learning that are critical success indicators for the school system, all levels of system operation have to link back to the improvement of student achievement. High expectations must be in place for school staff and students at all times.**
- 6. We will implement effective, accurate, and meaningful communications that facilitate dialogue, encourage involvement in PCTC programs, and create community advocacy.**
- 7. We will work together to sustain a responsive, caring, and inclusive environment where everyone feels valued, supported and empowered.**
- 8. We will remain dedicated to our profession by engaging in on-going professional development to stay current on trends in education, business and industry across the curriculum.**
- 9. We will ensure a safe and secure environment for all and to ensure PCTC is prepared to effectively respond to all emergencies.**
