AMENDMENT OF PLAN FOR ALTERNATIVE MAKE-UP OF SCHOOL DAYS FOR 2019-2020 SCHOOL YEAR IN RESPONSE TO THE STATEWIDE COVID-19 SCHOOL CLOSURE

Pursuant to Ohio Revised Code section 3313.88, the board of education of Pioneer Career and Technology Center hereby authorizes the following plan to allow students of the district to access and complete classroom lessons in order to complete all days because of the closing of schools as mandated by Governor Mike DeWine beginning on March 17, 2020 and concluding upon a similar order "opening schools."

- 1) This plan is submitted, pursuant to approval of the board of education, on April 20 and is retroactive to March 17, 2020.
- 2) As directed for the 2019-2020 school year, each classroom teacher shall develop a sufficient number of lessons for each course taught by that teacher with such lessons requiring, in the judgment of the teacher, an amount of time equal to or greater than the amount of instructional time the student would receive for each school days in such teacher's class.
- 3) The teacher shall designate the order in which the lessons are to be posted on the district's web portal or web site.
- 4) Teachers will update or replace such lessons as necessary throughout the school year based on the instructional progress of students.
- 5) As soon as practicable after an announced school closure in excess of the number of days permitted under section 3313.48, staff members designated by the appropriate administrator shall make the designated lessons available on the district's portal or site. Each lesson shall be posted for each course that was scheduled to meet on the day of the school closing.
- 6) Each student enrolled in a course for which a lesson is posted shall be granted a two-week period from the date of posting to complete the lesson or a date to be determined by the Administration. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided.
- 7) Students without access to a computer shall be permitted to complete the posted lessons at school after the reopening of school. Students utilizing this option will be granted two weeks from the date of reopening or a date to be determined by the Administration to complete such lessons. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided. The district will provide access to district computers before, during, or after the school day (provided that the equipment is available and accessible at those times) or may provide a substantially similar paper lesson in order for students to complete the assignments.

8) The board of education hereby authorizes “blizzard bags,” which are paper copies of the lessons posted online. Teachers shall prepare paper copies approximating the content of the online lessons and shall update such paper copies when updating any of the online lessons. “Blizzard bags” shall be distributed to all students by not later than December 1 of the school year or such other date as may be selected by the superintendent. Students shall submit completed lessons to the teachers assigning such lessons not later than two weeks after the date of school closing or a date to be determined by the Administration in excess of the number of days permitted under section 3313.48
