The refinished doors will be on display at the Crawford County Fair this year in the antique farm museum. Caleb Rausch, an alumni of Wynford High School and the FFA Chapter, completed a timeline with pictures of the history of Pickwick for his senior project during his time at Wynford. The timeline will be hung with the stall doors in the museum.
- ♦ On April 28th during virtual state FFA convention two of Wynford FFA chapter's seniors found out their state placements for their proficiencies areas. Levi Hartschuh competed in beef production and placed 4th in the state. Thomas Rindfuss competed in diversified crop production and placed 2nd in the state. Both members have worked extremely hard over the past four years to achieve these awards. Congratulations!
- ♦ On April 30th the Wynford FFA held its annual pork chop BBQ at Wynford High School. There were around 1,200 meals sold. The FFA puts on this BBQ to help fundraise to pay for expenses in the upcoming year.
- ♦ This year FFA farm manager Brandon Vent with the help of senior Thomas Rindfuss planted the FFA field to soybeans. Brandon contacted local seed dealers within the community to ask for seed donations. Greg Schifer of Pioneer Seeds, Donovan Scott and Steve Reinhard of AsGrow/ Dekalb Seeds, Tom and Bobby Brause of Beck Seeds, Chris Dunn of Pioneer Seeds, and Greg and Rose Hartschuh of Hartschuh Seed Solutions/Strike Soybeans provided enough seed to plant the 15 acre field.
