

# **Pioneer CTC**

## **Board Goals 21-22**

- 1. Pioneer will promote student excellence through the building of skills for lifelong success and promoting programs and policies that are updated and continue to facilitate student achievement.**
- 2. Pioneer will incorporate innovative educational practices and experiences in both academic and career technical settings that will create success, value and competitive advantage for all students.**
- 3. Pioneer will implement effective, accurate and meaningful communication that facilitates involvement in Pioneer programs that will increase educational attainment and community advocacy.**
- 4. Pioneer will ensure students, families, partner districts, communities and stakeholders receive consistent communication that showcases engagement and exciting opportunities in the compassionate culture of Pioneer.**
- 5. Pioneer will be fiscally responsible to our partner schools, staff and students, the community and all stakeholders by supporting effective, innovative educational programs and providing safe, healthy and functional facilities.**
