## STUDENT ACHIEVEMENT HIGHLIGHTS

### Hoffman Shines At National Competition

On April 30th, 2021 Clay Hoffman, an Industrial Diesel senior from Crestview High School, won the gold medal in the Diesel Equipment Technology competition for SkillsUSA in Columbus, Ohio. Hoffman, as a gold medal winner moved on to represent Ohio in the SkillsUSA's national championships held virtually June 14th to 18th.

Hoffman placed 5th out of 9 National competitors from 22 states. After the national competition, Instructor Darin Beal reached out to Frieghtliner and helped Hoffman to land a job with the company and he is currently employed. Beal and SkillsUSA Lead Advisor, Christi Smith worked tremendously hard together preparing and helping chaperone Clay during the weeks leading up to and the days of the National Competition.

### Updates From Around the Building

- Juniors in Mr. Paul Brown's Collison Repair took a field trip to Milliron Auto Parts on September 9th. They toured the facility and learned how the used parts industry operates. They also pulled their own hoods for lab use in completing their junior competencies
- Sandy Grau's Horticulture classes made 75 boutonnieres for Galion's fall senior night
- Lynn Moritz's Media students are currently filming a Documentary about COVID-19 and the global pandemic
- Matt Hanning's Enigeering Design lab is drawing Plans for a spa area in the cosmetology lab.
- Justin Tuttle's Carpentry lab has been working in the Early Childhood playground to repair equipment.
- Adena, MTD and Hess Industries are a few of the Industries who have been in to hire Pioneer seniors. There are 25 seniors on Early Job Placement.
