

Pioneer Career and Technology Center announces William Naylor and Toni Nechovski April 2024 Students of the Month.

William, a junior from Northmor High School, thrives in the Precision Machining program. Nominated by his instructor, Chris Karl, he is recognized for his exceptional work ethic and leadership.

At Northmor, William is a linebacker and receiver for the football team, a powerlifter, and in the running for Valedictorian. In his free time, he volunteers at the Morrow County Fair and works at Kroger. He likes playing guitar and working on his truck and dirt bikes.

William plans to attend Lincoln Technical Institute in Indiana for Machining.

Toni, a junior from Crestline High School, is a standout in the Media Communications program. Nominated by his instructor, Lyn Moritz, he is recognized for his leadership and commitment to his education.

Toni has been an active member of Crestline High School. In the community, Toni enjoys community service days with Pioneer and providing educational table top demonstrations for younger students in his local district. Additionally, he has volunteered as a leader at Pioneer's summer camp.

Looking to the future, Toni plans to attend North Central State College pursuing a career in photography or video editing.

Lucas FCCLA competes at state competition

Alyssa Shay, Izzy Iceman, Hadley Williams and Emma Hamm competed at the FCCLA state leadership conference. Lucas FCCLA was recognized for 3 National programs and earned honors in the top 10 for their FACTS project. Alyssa Shay and Izzy Iceman presented their "Family Matters".

Four Pioneer Students to Compete at 2024 BPA National Leadership Conference in Chicago

Four exceptional Business Professionals of America (BPA) students from Pioneer Career and Technology Center have secured their spots at the prestigious 2024 BPA National Leadership Conference in Chicago, Illinois. These talented individuals achieved top-five rankings at the Ohio Business Professionals of America State Leadership Conference, earning them the opportunity to showcase their skills and knowledge on a national stage.

From May 10th to 14th, 2024, they will join students from over 20 states to compete, network, and learn from seasoned business professionals at this exciting event.

The qualifiers are as follows;

Gabe Melvin (Senior, IT Support):

A fifth place in **Computer Network Technology**.

Gabe, a homeschooled student, exemplifies determination and skill.

Jason Lambert (Senior, Cybersecurity):

A fourth-place finish in **Server Administration using Microsoft**.

Jason, from Goal Digital Academy, brings expertise to the table.

Bradon Stidam (Senior, Cybersecurity):

Second place in **Server Administration using Microsoft**, showcasing excellence.

Proudly representing Shelby City Schools, Bradon is a force to be reckoned with.

Bryce Browning (Senior, Cybersecurity):

First place in Ohio for **Computer Security**.

Remarkably, this is Bryce's second state-level victory in this contest.

As the defending national champion, Bryce Browning hails from Celeryville Christian School.
