Pioneer Career and Technology Center announces Addy Brant and Caleb Stricklin as our December 2024 Students of the Month!

A junior from Lexington High School, Addy is enrolled in our Early Childhood Education program, where she has demonstrated remarkable passion and dedication.

At Lexington, she is actively involved in Student Council, Soccer, and Tech Crew. She also contributes to Pioneer's Student Council and participates in winter and spring club soccer. Addy enjoys spending time with friends and family when she's not on the field.

Addy is also dedicated to community service. She participates in mission trips and youth group activities. Reflecting on her experience, she shared, "Pioneer has been one of the greatest opportunities of my life."

Addy plans to graduate from Pioneer with a Child Development Associate (CDA) and pursue a Bachelor's degree in Education from a Christian college. Her goal is to become a Pre-K or Kindergarten teacher.

A senior from Crestview High School, Caleb is enrolled in our Culinary Arts program, where he has demonstrated exceptional creativity and leadership.

Caleb is actively involved in Academic Challenge, Student Council, and serves as a Student Ambassador. In addition, he participates in community service by volunteering to help prepare and serve meals at Pioneer's special events.

Caleb shared, "Attending Pioneer has been one of the best choices I've made in my life."

Caleb's teacher, Mr. Burke, commended him, saying, "He is considerate of everyone around him and inspires others to be better. He truly is a model student."

Looking to the future, he plans to open and own a medieval-themed bar and restaurant—a dream that reflects his unique vision and passion for the culinary arts.
