Revised Policy - Vol. 43, No. 1 - UGG/EDGAR Revisions

[DRAFTING NOTE: Travel charges must be consistent with the District's established written policies. The District must allow costs for "above and beyond regular dependent care" if consistent with established written policy for all travel.]

6550 - TRAVEL PAYMENT & REIMBURSEMENT/RELOCATION COSTS

Travel expenses incurred for official business travel on behalf of the Board of Education shall be limited to those expenses necessarily incurred by the employee in the performance of a public purpose authorized, in advance, in accordance with administrative guidelines. **Travel costs may include the transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the District.**

Payment and reimbursement rates for per diem meals, lodging, and mileage shall be approved by the Board annually. The Board shall establish mileage rates **(X)** in accordance with **()** ~~not exceeding~~ **[END OF OPTION]** the Federal IRS prescribed mileage rate.

Employees are expected to exercise the same care incurring travel expenses that a prudent person would exercise if traveling on personal business and expending personal funds. Unauthorized costs and additional expenses incurred for personal preference or convenience will not be reimbursed.

Unauthorized expenses include, but are not limited to, alcohol, movies, fines for traffic violations, and the entertainment/meals/lodging of spouses or guests.

[X] Commercial airfare costs in excess of the basic least expensive unrestricted accommodations class offered by commercial airlines are unallowable except when such accommodations would (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset the transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Instances of commercial airfare cost in excess of the basic least expensive unrestricted accommodations class must be justified and documented on a case-by-case basis.

[] ~~Temporary dependent care costs (as dependent is defined in 26 U.S.C. 152) above and beyond regular dependent care that directly results from travel to conferences are allowable provided that (1) the costs are a direct result of the individual's travel for the Federal award; (2) the costs are consistent with the District's documented administrative guidelines for all entity travel; and (3) are only temporary during the travel period. Travel costs for dependents are unallowable, except for travel of a duration of six (6) months or more with prior approval of the Federal awarding agency.~~ **[DRAFTING NOTE: Choosing this option requires this also to be applicable to all District policies.]**

[] ~~The costs of identifying and providing locally available dependent care resources for conference participants are allowable, as needed.~~

[] ~~Conference costs must be appropriate, necessary, and managed to minimize costs to the Federal award.~~

[DRAFTING NOTE: This draft policy includes the Federal rules for commercial airfare and temporary dependent care costs. Based on State or local laws and policies, School Districts may decide that all temporary dependent care costs or commercial airfare costs in excess of the basic least expensive unrestricted accommodations class

are unallowable under any circumstance.]

[] Relocation Cost Reimbursement

[] [OPTION 1]

~~Relocation costs are costs incident to the permanent change of duty assignment (for an indefinite period or for a stated period of not less than twelve (12) months) of an existing employee or upon recruitment of a new employee. Relocation costs are allowable and reimbursable, subject to the limitations of 2 C.F.R. 200.464 and any other conditions or limits approved by the Board in advance.~~

[END OF OPTION 1]

[OR]

[X] [OPTION 2]

The Board does not reimburse for relocation costs.

[END OF OPTION 2]

[END OF OPTIONS]

Travel payment and reimbursement provided from Federal funds must be authorized in advance and must be reasonable and consistent with the District's travel policy and administrative guidelines. For travel paid for with Federal funds, the travel authorization must include documentation that demonstrates ~~that~~ (1) the participation in the event by the individual traveling is necessary to the Federal award; and (2) the costs are reasonable and consistent with the District's travel policy.

All travel shall comply with the travel procedures and rates established in the administrative guidelines. All costs incurred with Federal funds must meet the cost allowability standards within Board Policy 6114.

To the extent that the District's policy does not establish the allowability of a particular type of travel cost, the rates and amounts established under 5 U.S.C. 5701-11 ("Travel and Subsistence Expenses; Mileage Allowances"), or by the Administrator of General Services, or by the President (or the President's designee) must apply to travel under Federal awards.
