Pioneer Career and Technology Center announces Zyler Roberts and Audrey Wolford as January 2025 Students of the Month!

A senior from Bucyrus High School, Zyler is enrolled in our Precision Machining Technologies program, where he has demonstrated a great work ethic and dedication.

Beyond his school activities, Zyler is strongly committed to helping others. He mows lawns and shovels sidewalks for older neighbors free of charge.

Reflecting on his time at Pioneer, Zyler shares, "I've learned so much in the last two years and never thought I would enjoy high school this much."

Looking ahead, Zyler plans to enter an apprenticeship while working and attending college for four years to earn his Journeyman's card in Tool & Die.

A junior from Crestview High School, Audrey is thriving in the Early Childhood Education program and demonstrating a passion for working with young children. At Crestview, Audrey has been dedicated to Cross Country for five years, showcasing her perseverance and teamwork. This year, she and her team qualified for the state competition, placing an impressive seventh.

In her free time, Audrey enjoys running, babysitting, and spending time outside, activities that reflect her energetic and caring nature. She also has volunteered in the nursery at her church.

Reflecting on her experience at Pioneer, Audrey shared, "I'm so grateful I decided to come to Pioneer!"

Looking to the future, she dreams of becoming an infant teacher.
