0131.1 - TECHNICAL CORRECTIONS

Periodically, it may be deemed necessary to make technical corrections to policies that have already been adopted through normal procedures. These technical corrections may include

(X) consolidation of sections;

(X) transfer of sections;

(X) combining or dividing sections;

(X) renumbering subsections, sections, chapters, and titles;

(X) corrections or additions for grammatical or typographical errors;

(X) alterations and omissions; and/or

(X) updating the name(s) of the individual(s) who serve as District compliance officer(s), as long as the position/title remains the same as listed in the applicable Board policy,

not affecting the constructions or meaning of those sections, subsections, chapters, titles, or policies as a whole, **and are of a non-substantive nature.**

The Superintendent is authorized to identify and undertake technical corrections, as identified above, found in the policies and regulations. Upon completion of the technical and formatting corrections, the Superintendent shall provide a brief summary of the corrections to the Board for review. Should the Board determine that a correction is substantive in nature, it will utilize the normal policy adoption procedure in Policy 0131 - Legislative to adopt the amendments to the policy or regulation.
~~Should the Board of Education choose to make such technical corrections, it may be accomplished by resolution as part of the consent agenda without going through the normal policy adoption procedure.~~
