Regular Handbook

Center Changes

Preschool Handbook

1. Due to the amount of staff with children, I added the statement below to mean that only employees' own children can enroll in all day in order to accommodate the Pioneer staff as well as community needs.

All-day preschool is offered exclusively to the children of Pioneer employees. Grandchildren are not eligible unless the employee has legal custody and is the child's primary guardian.

2. Added the following statement regarding families applying for the ECE grant

*Families can apply for the preschool grant through Ohio Benefits
at <https://ssp.benefits.ohio.gov/apsspssp/ssp.portal/login/accountLoginSignUp>.*
