BOARD OF EDUCATION RESOLUTION 13-25

Requiring the Continuation of a Five-Year Financial Forecast

WHEREAS, the Ohio Revised Code (ORC) has recently been amended by H.B. 96 to require school districts to prepare and file a three-year financial forecast instead of a five-year forecast; and

WHEREAS, the Board of Education recognizes that long-term financial planning is essential to maintaining fiscal health, anticipating future needs, and making informed decisions; and

WHEREAS, the Board believes that continuing to prepare a five-year financial forecast enhances the district's ability to responsibly manage resources and plan for the future; and

WHEREAS, the Board remains committed to transparency, accountability, and compliance with all applicable laws and regulations;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Pioneer Career & Technology Center that:

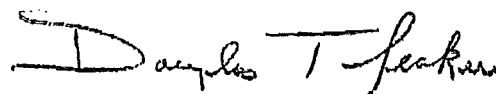

1. The Treasurer/CFO is hereby directed to continue preparing a five-year financial forecast, in addition to the three-year forecast required under the Ohio Revised Code.
2. The five-year financial forecast, which will include the three-year financial forecast, shall be presented to the Board of Education by October 15 and the end of February in FY26 and by the end of August and end of February each year beginning with the FY27 fiscal year.
3. The three-year financial forecast shall be filed with the Ohio Department of Education and Workforce (ODEW) in accordance with state law.
4. This resolution shall remain in effect unless and until amended or rescinded by formal action of the Board.
